Subjects Covered: Agricultural production; forest and lumber production; water conservation; cooperatives; price ratios.

Scholarship Evaluation: Official documents

Review: Compilation of major decisions and directives of the Government Administration Council, and the East China Military and Administrative Committee, regarding agricultural production plans and fulfillment of plans for 1951. Most of these directives were promulgated in February and March 1951. They are supplemented by editorials from the Peiping Jen-min Jih-pao and the Shanghai Chieh-fang Jih-pao. Government directives deal largely with spring cultivation, sowing, forestry, water conservation, and cooperatives.
